RESOLUTIONS

Ellison moved to adopt Resolution 2021R-137 honoring Asian American and Pacific Islander Heritage Month in the City of Minneapolis.

The following is the complete text of the unpublished summarized resolution.

RESOLUTION 2021R-137

**By Ellison, Cunningham, Reich, Gordon, Fletcher, Osman,
Goodman, Jenkins, Cano, Bender, Schroeder, Johnson, and Palmisano**

Honoring Asian American and Pacific Islander Heritage Month.

Whereas, the United States Congress passed Public Law 102-450 in 1992 which annually designates May as Asian/Pacific American Heritage Month commemorating the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869, where the majority of the workers who laid the tracks were Chinese immigrants; and

Whereas, 32,000 Asian Americans and Pacific Islanders (AAPIs) account for 7 percent of the City of Minneapolis population but make up only 5 percent of the City's workforce; and

Whereas, Asian American and Pacific Islander Minnesotans are primarily Asian Indian, Burmese (incl. Karen, Kerreni), Cambodian, Chinese, Filipino, Hmong, Japanese, Korean, Laotian, Samoan, and Vietnamese. But, the AAPI population represents hundreds of national, ethnic, and tribal identities including many politically unrecognized ethnic groups, multi-racial, and multi-ethnic peoples; and

Whereas, the diverse AAPI community includes political refugees from war-torn countries, asylum seekers, choice immigrants, undocumented immigrants, adoptees, green card holders, new citizens, multi-generational American born citizens, and indigenous colonized peoples; and

Whereas, there is no single Asian or Asian American past, politic, or culture. The diversity of experiences encompassed under the "Asian" category helps us critically think about the fallibility of race; and

Whereas, the model minority myth hides the oppression AAPI communities experience and distracts us from working in solidarity against our collective oppression; and

Whereas, xenophobic and anti-Asian rhetoric continues to fuel unfounded fears and perpetuate stigmas against AAPIs and have contributed to the recent increase of violence against AAPI communities; and

Whereas, on May 22, 2020, the Minneapolis City Council and the Mayor recognized the formation of the Asian Pacific Islander Employee group to explore the diversity among AAPI employees, to find community in our similarities, and to find strength in our differences; and

Whereas, Employee Resource Groups offer City staff the opportunity to raise awareness of and serve as resources for AAPI community issues, collaborate with colleagues and City leaders to help achieve the City of Minneapolis' racial equity hiring goals and improve the workplace by promoting policies and practices that are free of racial discrimination, and to strengthen the mission of the City of Minneapolis to serve all residents in the City; and

Whereas, the Minneapolis Asian Pacific Islander Employee group has been established to support AAPI employees in the City of Minneapolis, connect employees to City resources, and help create a respectful and welcoming workplace free of racial discrimination;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:

That the Mayor and City Council do hereby commemorate April 30, 2021, as the one-year anniversary of the launch of the Minneapolis Asian Pacific Employee group and recognize the value and rich contributions of Asian American and Pacific Islander employees and residents to the City of Minneapolis.

Be It Further Resolved that we recognize the month of May as Asian American and Pacific Islander Heritage Month.

Be It Further Resolved that we denounce racist scapegoating, xenophobia, and acts motivated by hatred targeting AAPI communities.

Be It Further Resolved that we continue to support a vision for the City that strengthens the health and wellbeing of the most vulnerable members of all communities, including the AAPI community, such as greater economic inclusion, housing security, public safety, and sustainable transportation options.

Be It Further Resolved that we commit to recognizing, elevating, and addressing the AAPI community's diversity, unique challenges, and vital role in the growth and strength of our nation, region, and in Minneapolis, and we celebrate the continued work of the Minneapolis Asian American Pacific Islander Employees group as a way to honor this commitment.

Bender moved to adopt Resolution 2021R-138 declaring the week of May 2 through 8, 2021, as Public Service Recognition Week in the City of Minneapolis.

The following is the complete text of the unpublished summarized resolution.

RESOLUTION 2021R-138

**By Bender, Reich, Gordon, Fletcher, Cunningham, Ellison,
Osman, Goodman, Jenkins, Cano, Schroeder, Johnson, and Palmisano**

Declaring the week of May 2 through May 8, 2021, as Public Service Recognition Week in the City of Minneapolis.

Whereas, public employees are responsible for providing, planning, implementing and responding to public service needs in our community; and

Whereas, all people benefit from the public service provided by dedicated public employees; and

Whereas, public service is a noble calling where people choose to spend a portion, or all, of their career building community, contributing to the public good, and improving the wellbeing of our communities; and

Whereas, this year the employees of the City endured the unprecedented challenges of the global pandemic and economic upheaval, in addition to the community trauma and racial reckoning spurred by the murder of George Floyd, the civil unrest that followed; and

Whereas, there has been significant impact on public servants, especially Black, Indigenous, and People of Color (BIPOC) and women employees, in the ways these challenges manifested both at work and in community, with health concerns, economic instability, family responsibilities, emotional labor, and workload burdens; and

Whereas, public employees persevered to serve the residents of the city, often the same communities they are a part of, while exemplifying consistency, professionalism, and provided continuity of essential City services, all while caring for residents' needs in an unpredictable time; and

Whereas, Public Service Recognition Week provides an opportunity to recognize the work and dedication of the people who choose to serve our communities;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:

That the Mayor and City Council do hereby proclaim the week of May 2 through May 8, 2021, as Public Service Recognition Week in the City of Minneapolis, a time to recognize and honor the contributions and dedication of government employees to our communities.

Be It Further Resolved that the employees of the City of Minneapolis are recognized for the significant contributions they make and challenges they face each day, commended for their accomplishments, and are offered the sincere gratitude of the Mayor and City Council on behalf of all the people of our great community, for efforts to serve, protect, and promote the health, safety, and welfare of the residents, businesses, and visitors to our community.
