Honoring MARY DAVIS for her service to the CITY of MINNEAPOLIS

This CERTIFICATE of COMMENDATION is hereby presented to MARY DAVIS with gratitude, appreciation, and sincere thanks for her leadership of the Minneapolis Student Election Judge Program over the course of fourteen years. Because of her commitment, the City's Student Election Judge Program has grown, year after year, increasing the number of active—and returning—students whose awareness of and appreciation for free, impartial, and equitable access to the ballot box and the importance of representative forms of democracy have been influenced by her work. It is said the legacy of heroes is the inheritance of a great example, and in her many contributions to and leadership of the Minneapolis Student Election Judge Program, Mary Davis has been and will always be an Election Day Hero.

Presented this the Ninth Day of May, 2018, by the Mayor and City Council, together with their best wishes for Ms. Davis in the adventures she pursues in a well-earned retirement. •

FOR THE COUNCIL:

LISA BENDER, *President of City Council*

JACOB FREY, *Mayor*

CASEY JOE CARL, *City Clerk*
