I, Jacob Frey, Mayor of the City of Minneapolis, subject to the executive and administrative authority granted to me pursuant to Minneapolis City Charter, do hereby issue the following Executive Order:

EXECUTIVE ORDER No. 2022-01

Minneapolis as a Safe Haven for Reproductive Rights

WHEREAS, the State of Minnesota, through its State Constitution and court decisions interpreting the Constitution, provides a guarantee of the fundamental rights of individuals to make autonomous decisions about one's own reproductive health independent of, and more expansive than, any protection provided by the Constitution of the United States, and the City of Minneapolis has long encouraged that access to reproductive health care remains readily available in the City; and

WHEREAS, other States and jurisdictions may adopt or may expand laws that purport to impose civil or criminal liability or professional sanctions on health care professionals who provide and persons who seek and receive, or assist with the provision or receipt of, reproductive healthcare in the City of Minneapolis as permitted by the laws of the State of Minnesota; and

WHEREAS, health care professionals lawfully providing and persons lawfully seeking and receiving, or assisting with the provision or receipt of, reproductive health care in the City of Minneapolis should be protected from attempts to impose legal liability premised on and professional sanctions issued under the laws of other States when that reproductive health care is lawful in the State of Minnesota and meets standards for good professional practice; and
