

Pedestrian Advisory Committee Resolution

To: Minneapolis City Council, Minneapolis Public Works

From: Minneapolis Pedestrian Advisory Committee

Date: February 3, 2021

Subject: West 31st Street Pedestrian Safety Improvements

West 31st Street Pedestrian Safety Improvements

The Pedestrian Advisory Committee supports the bumpouts for pedestrian safety at **West 31st Street**. If possible, we would like to see further narrowing of 31st Street with temporary materials until a bicycle facility is installed.
