Minneapolis Race

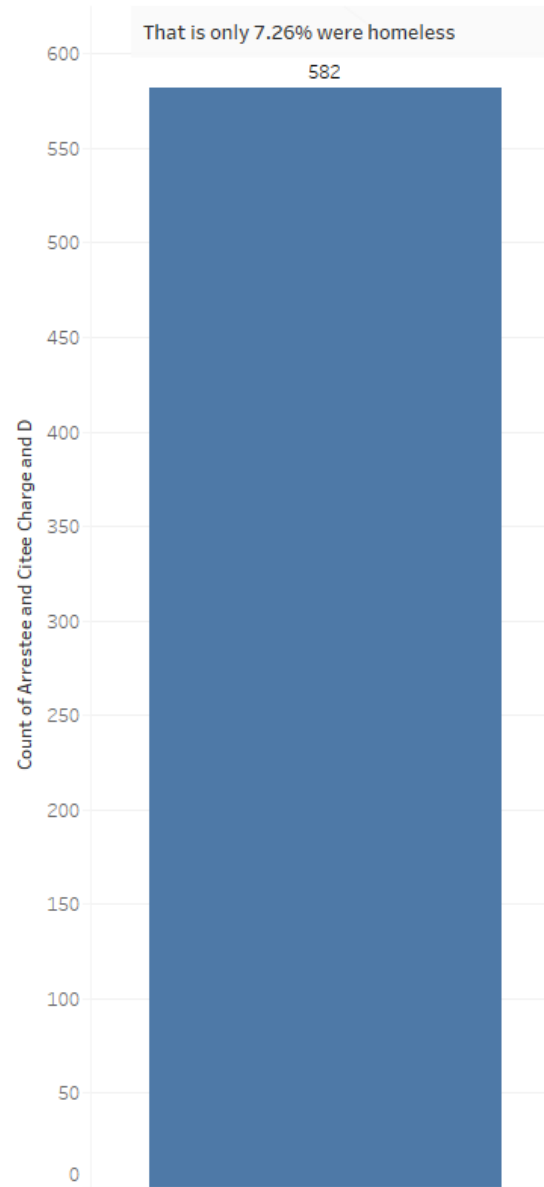

Race and Hispanic Origin	
 White alone, percent	 63.6%
 Black or African American alone, percent (a)	 19.2%

Total number of incidents where the offence type was PUBURN, CONSME, OPBOTT, TLE, POSDPA, LOITER, DISCON

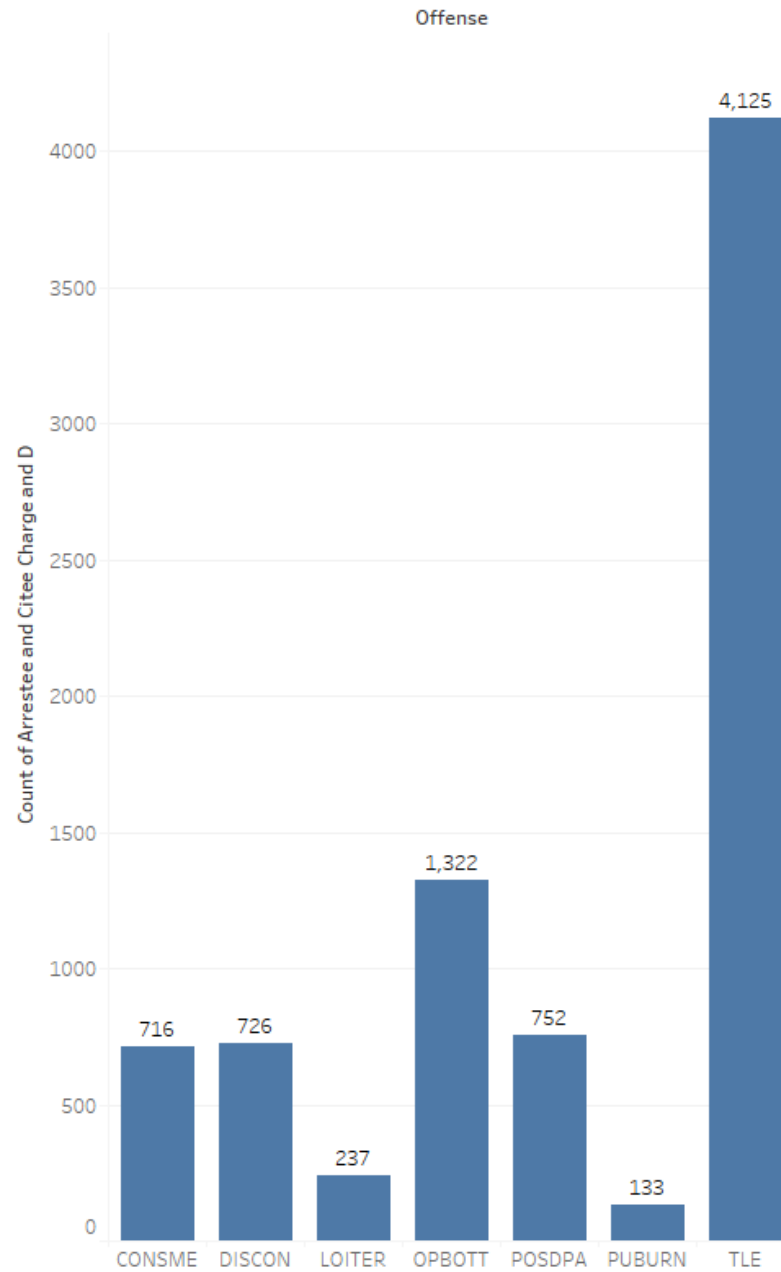

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps 7 of 267 members.

Out of 8011 incidents of PUBURN, CONSME, OPBOTT, TLE, POSDPA, LOITER, DISCON, 582 are homeless

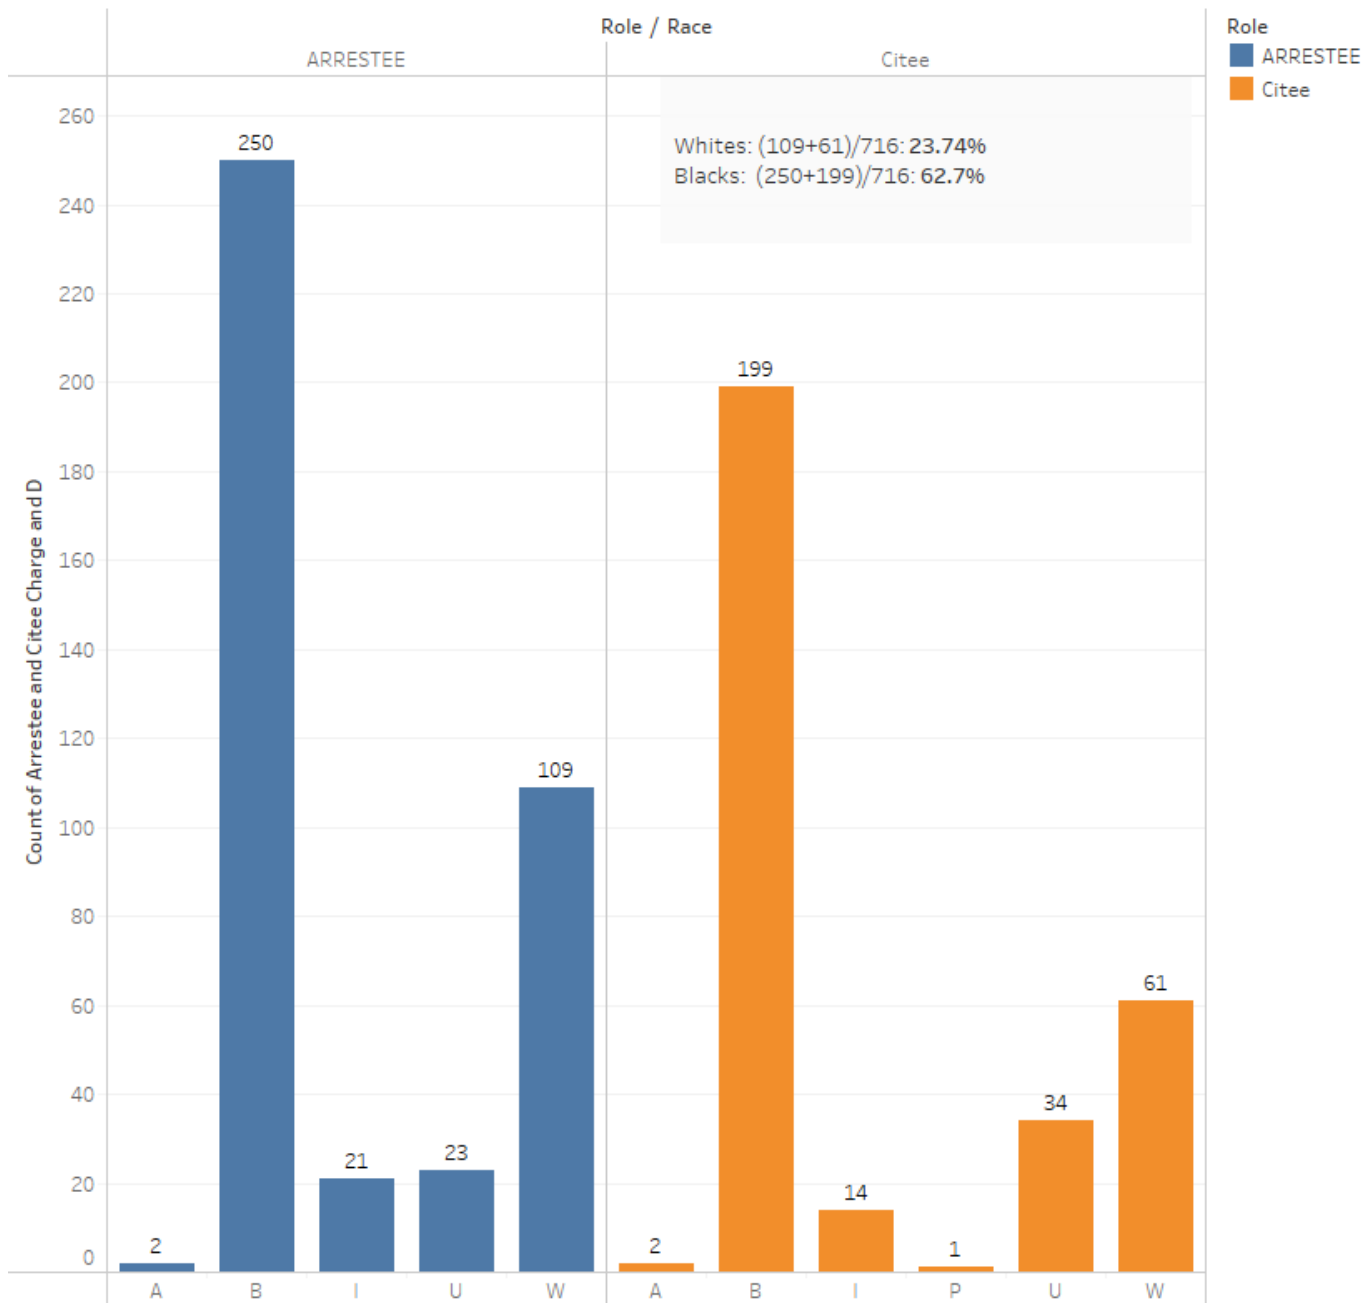

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps 7 of 267 members. The Addr filter keeps 22 of 22,921 members.

Distribution of the 8011 offenses by type

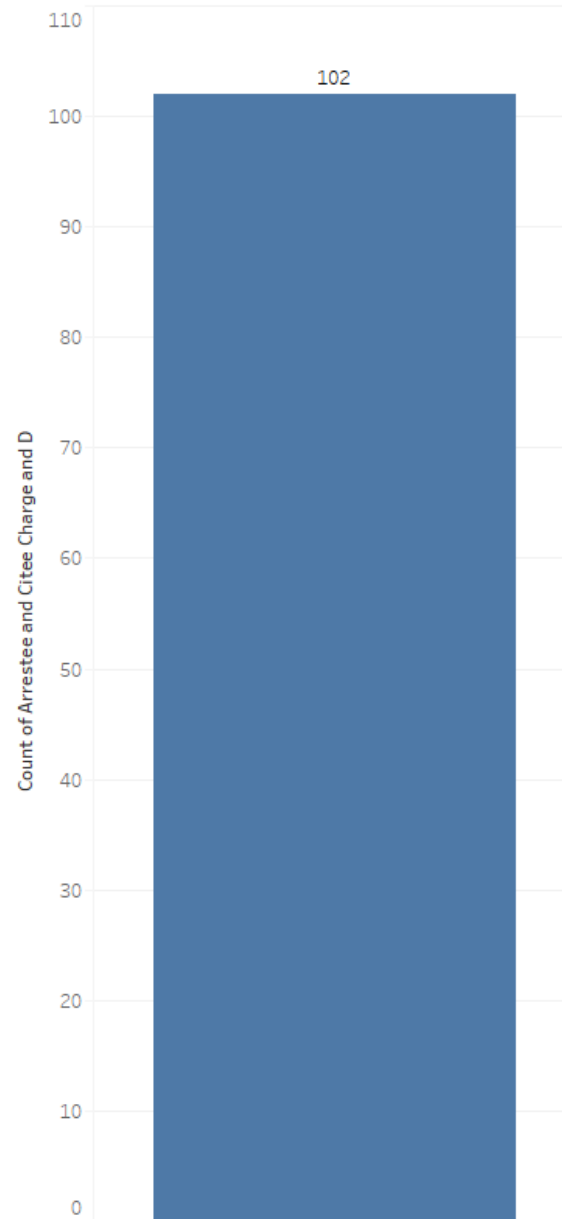

Count of Arrestee and Citee Charge and D for each Offense. The marks are labeled by count of Arrestee and Citee Charge and D. The view is filtered on Offense, which keeps 7 of 267 members.

CONSME by Race

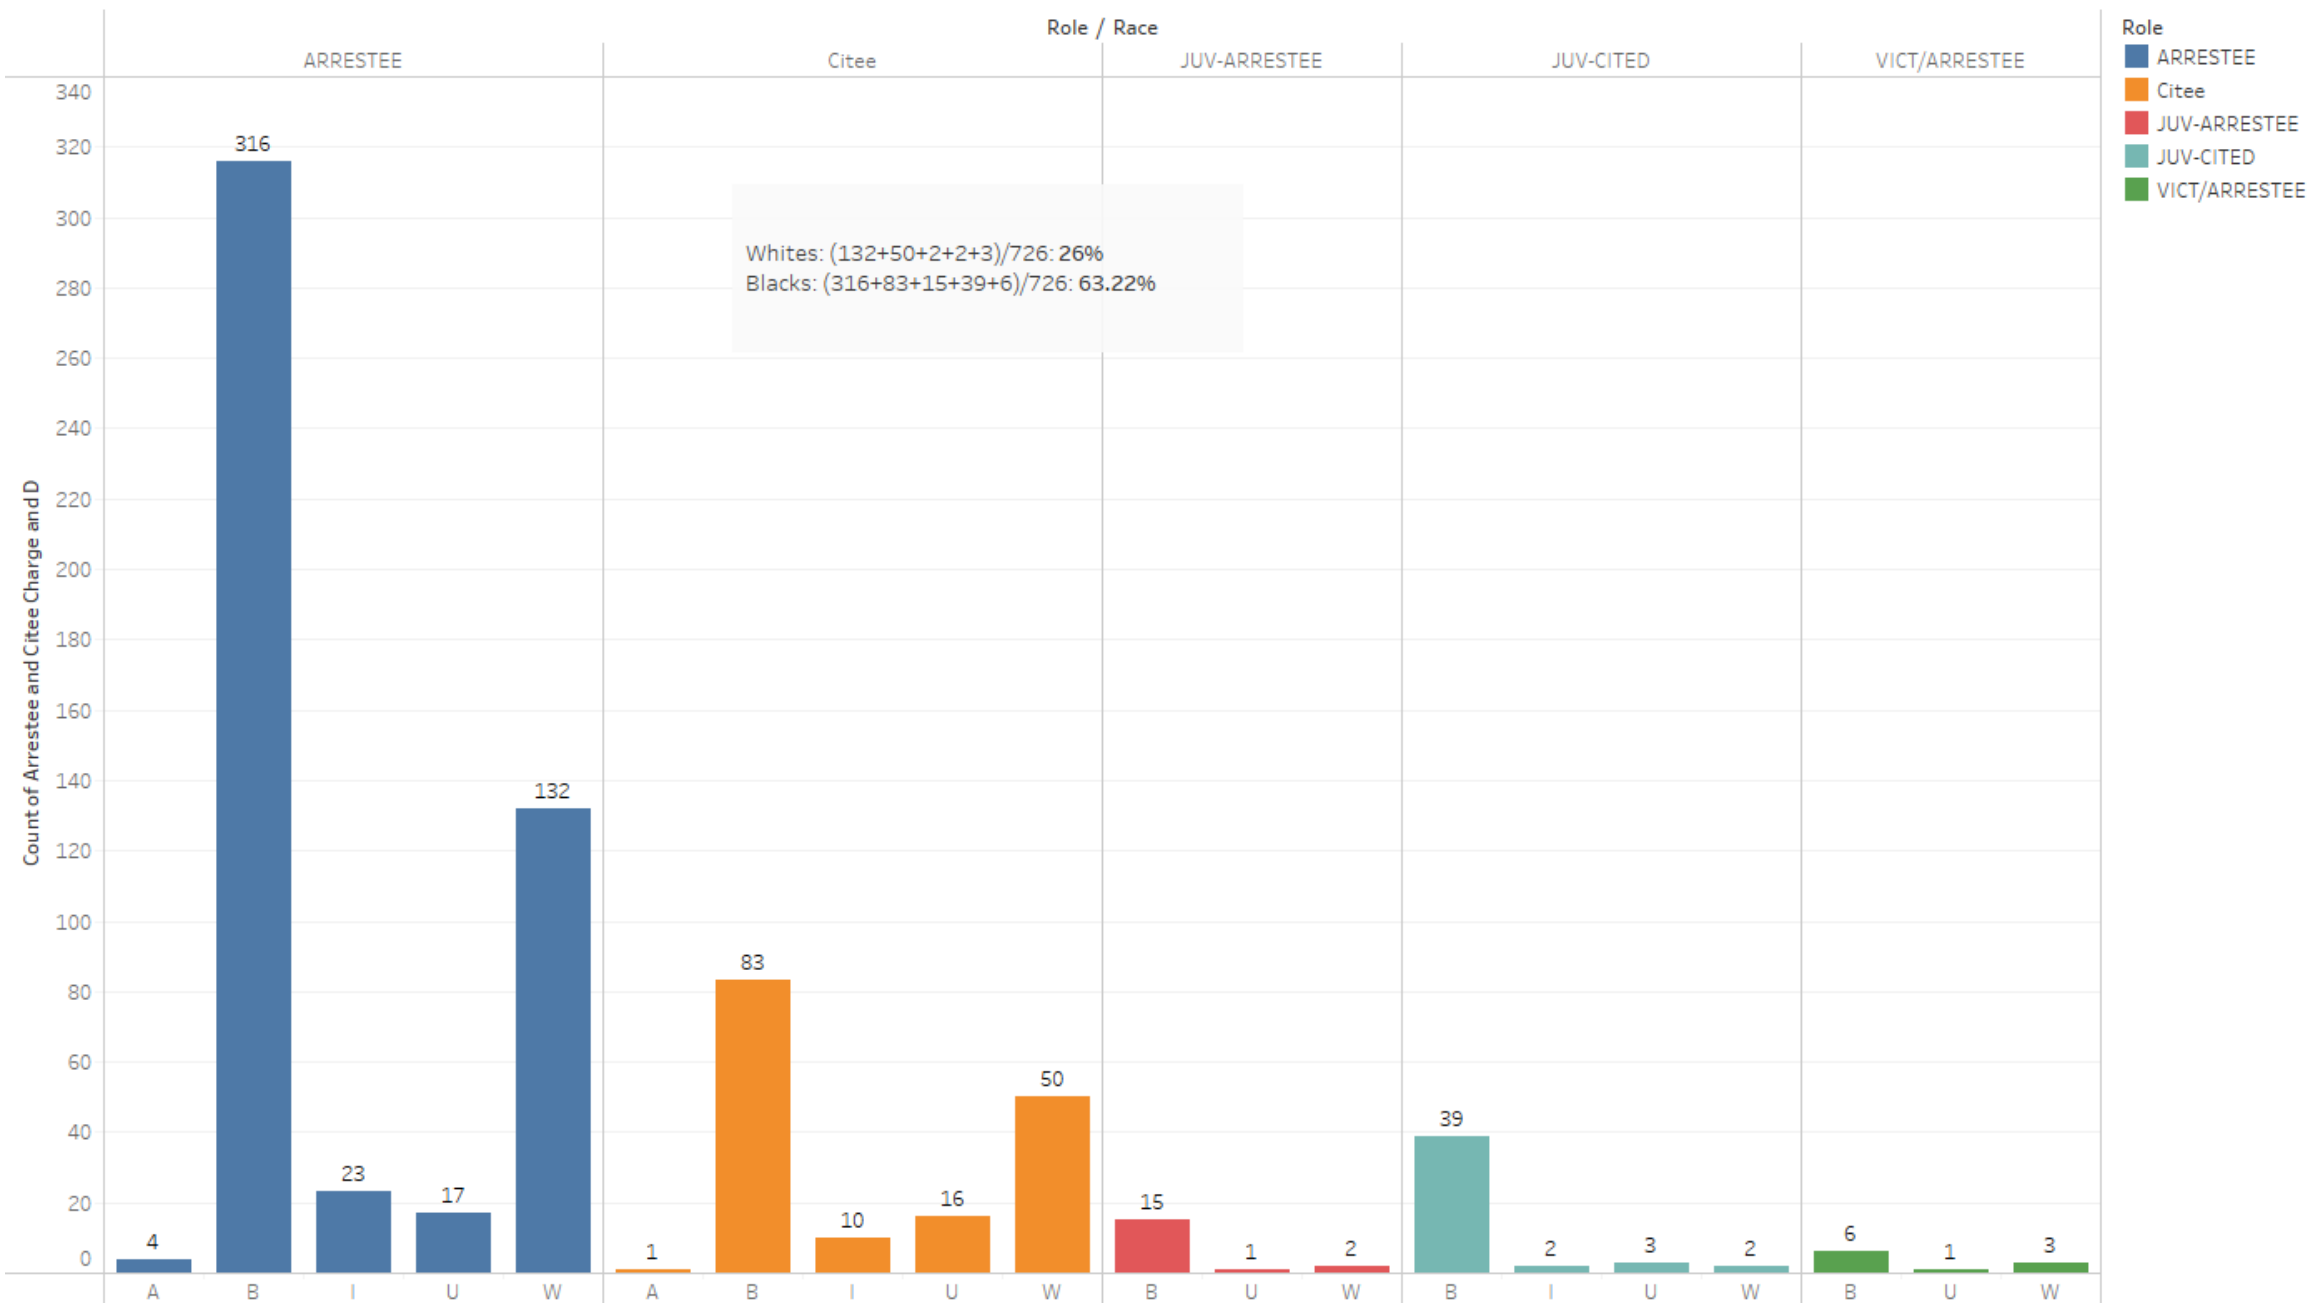

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps CONSME.

Out of 716 CONSME incidents, 102 were homeless. That is about **14.24%**

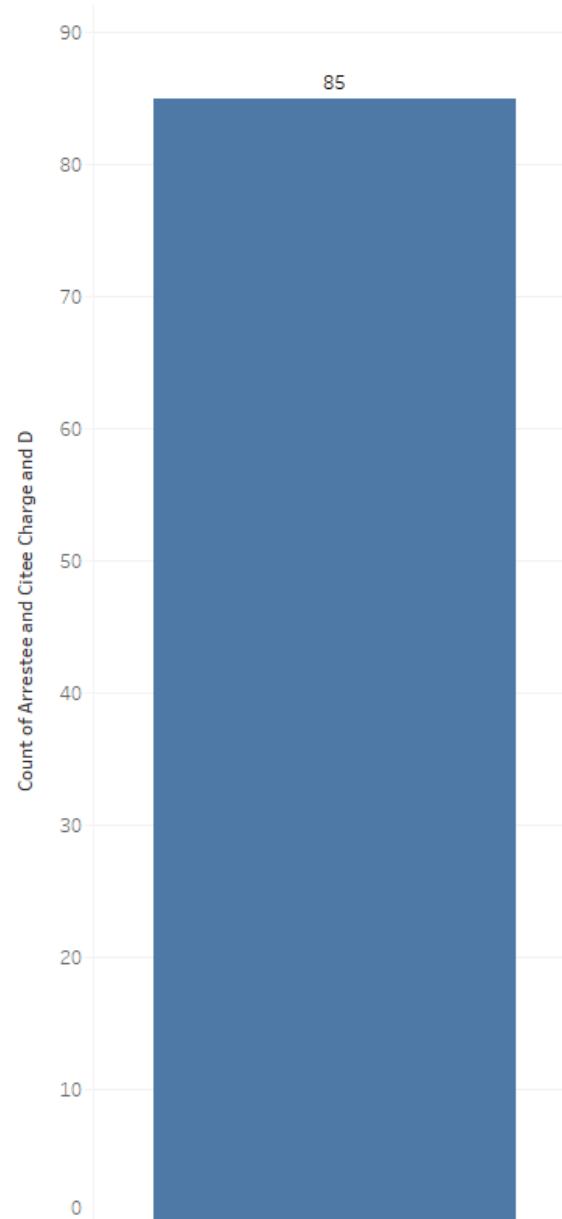

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps CONSME. The Addr filter keeps 22 of 22,921 members.

DISCON by Race

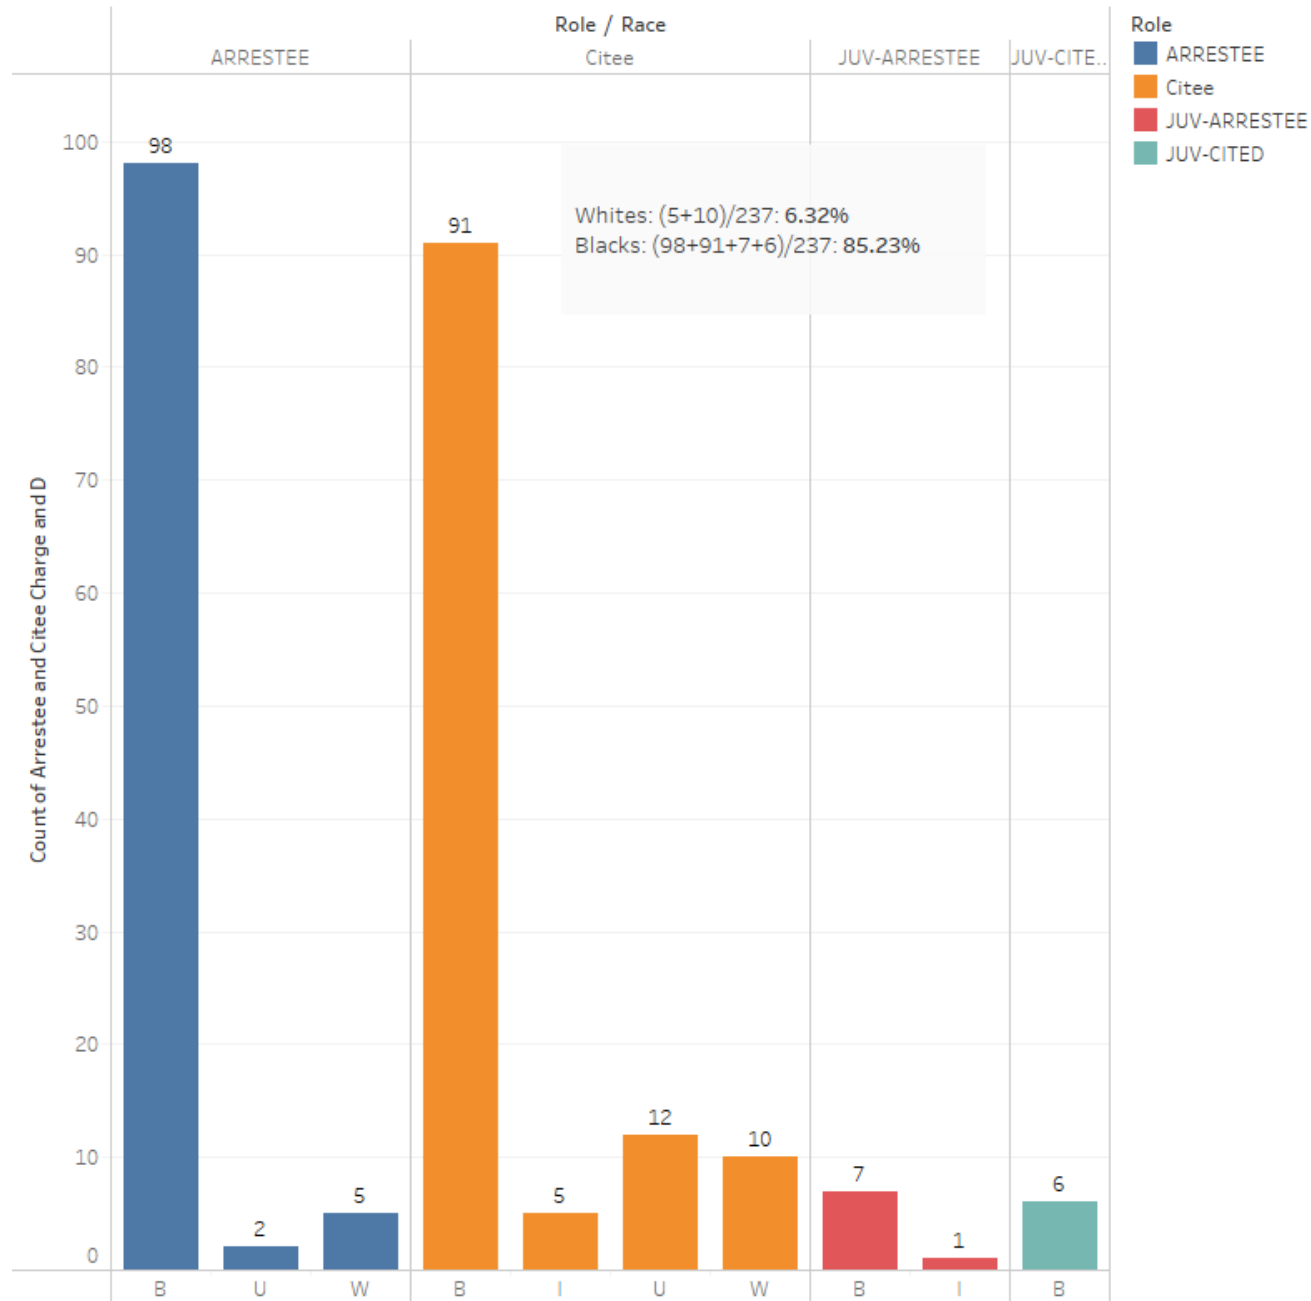

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps DISCON.

Out of 726 DISCON incidents, 85 were homeless. That is about **11.7%**

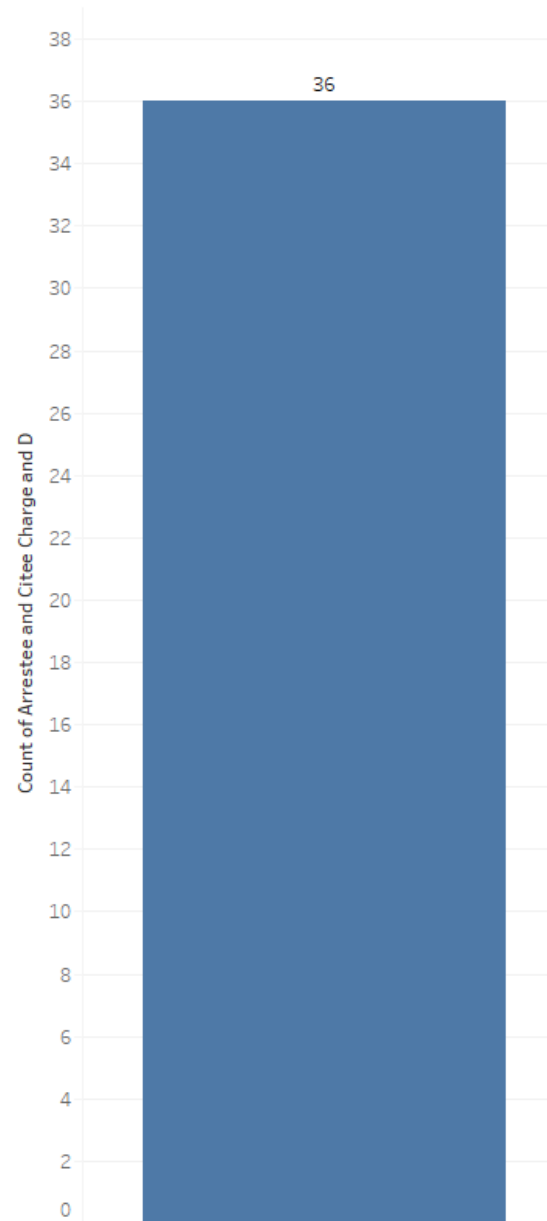

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps DISCON. The Addr filter keeps 22 of 22,921 members.

LOITER by Race

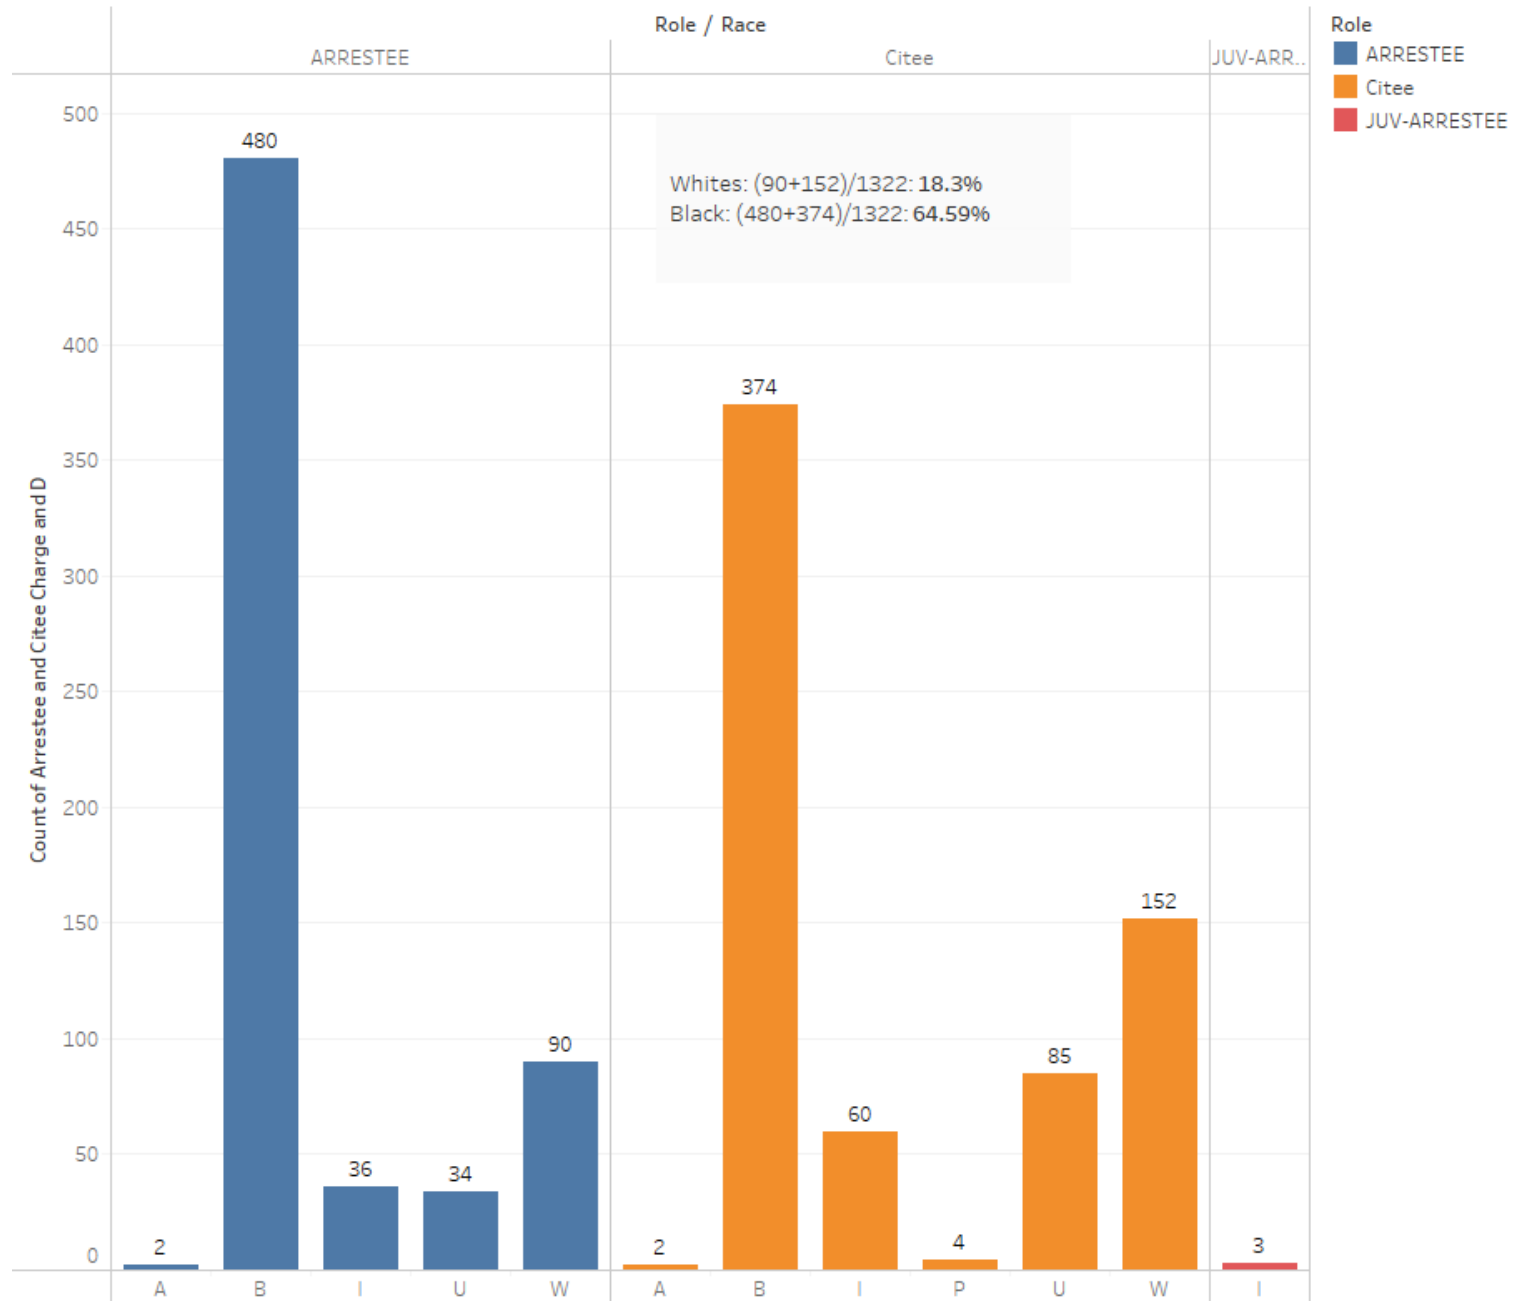

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps LOITER.

Out of 237 LOITER incidents, 36 were homeless. That is about **15.18%**

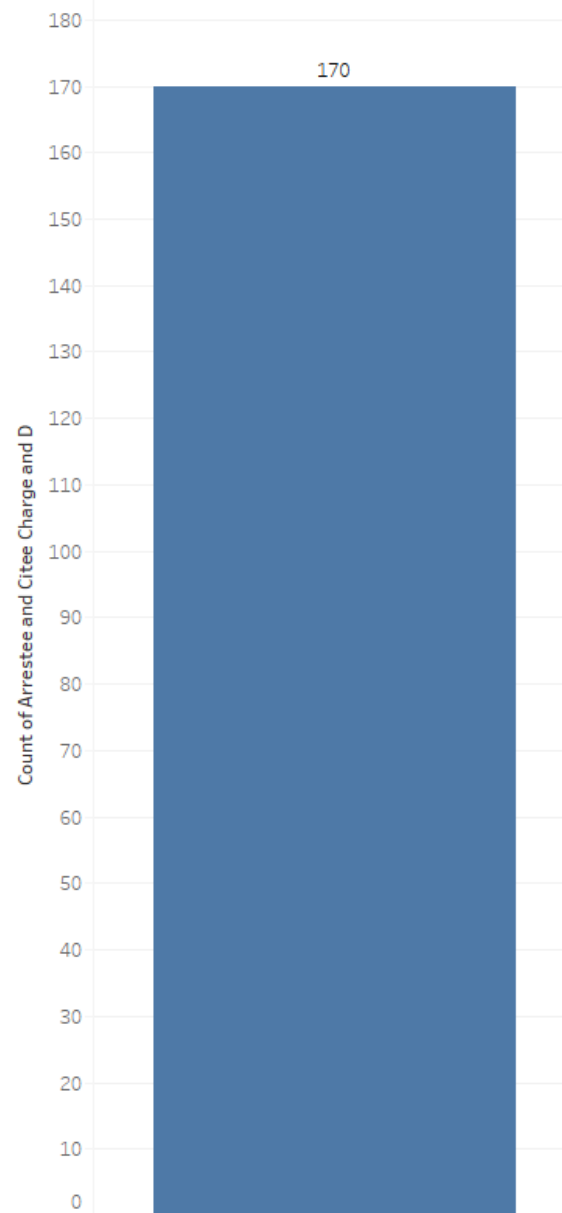

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps LOITER. The Addr filter keeps 22 of 22,921 members.

OPBOTT by Race

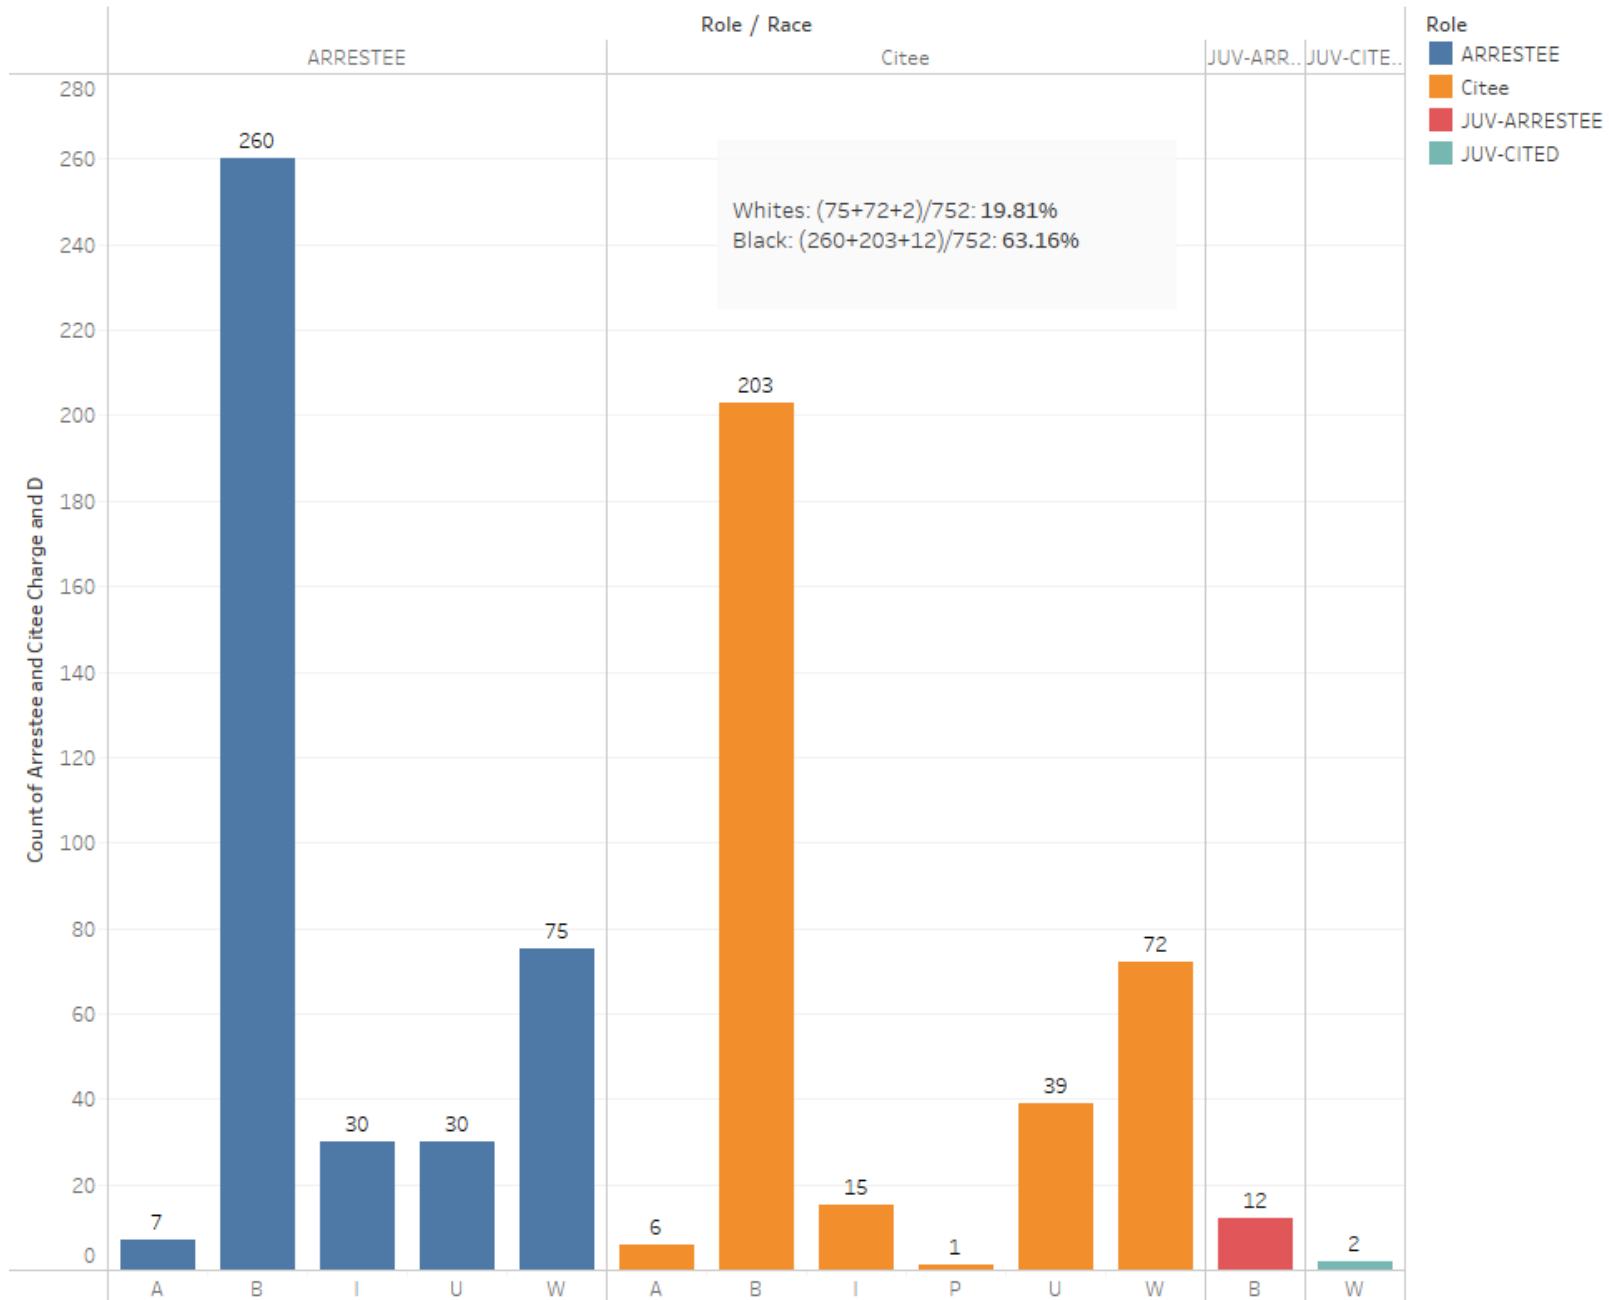

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps OPBOTT.

Out of 1322 OPBOTT incidents, 170 were homeless. That is about **12.85%**

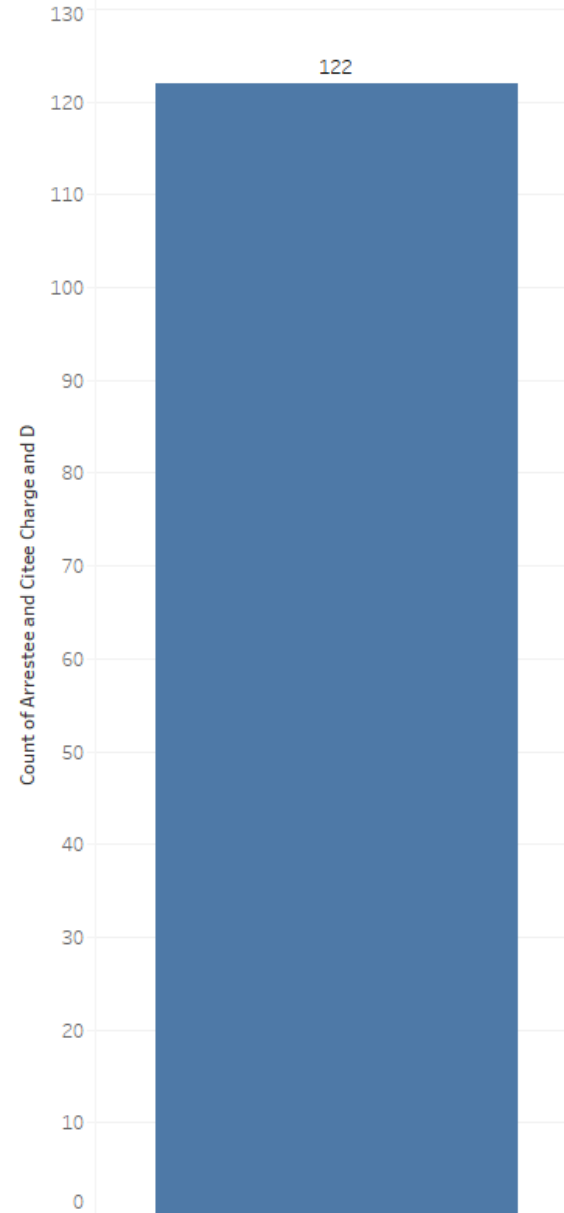

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps OPBOTT. The Addr filter keeps 22 of 22,921 members.

POSDPA by Race

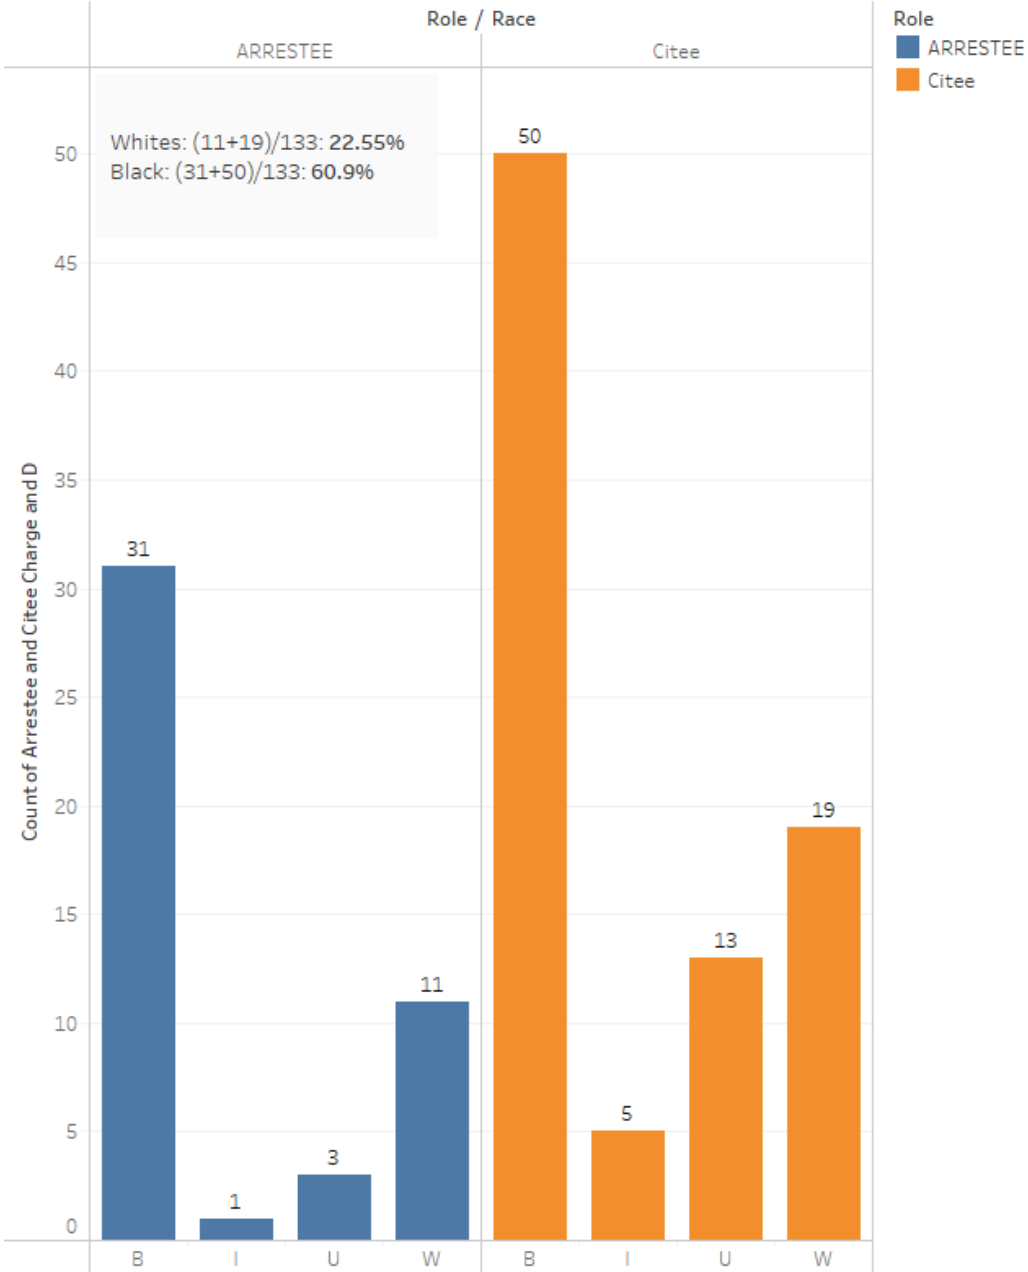

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps POSDPA.

Out of 752 POSDPA incidents, 122 were homeless. That is about **16.22%**

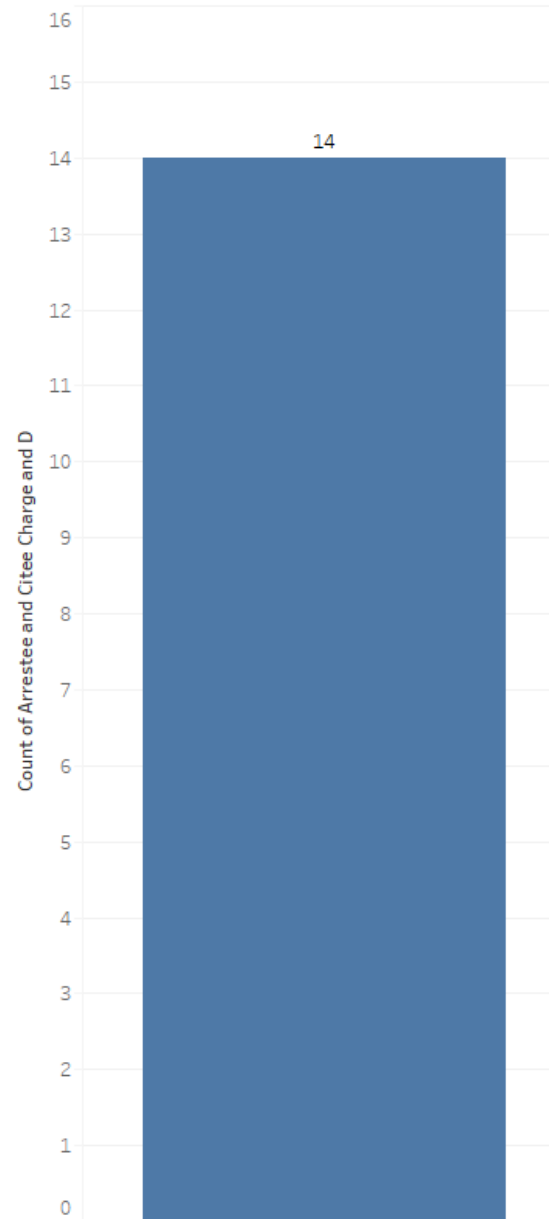

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps POSDPA. The Addr filter keeps 22 of 22,921 members.

PUBURN by Race

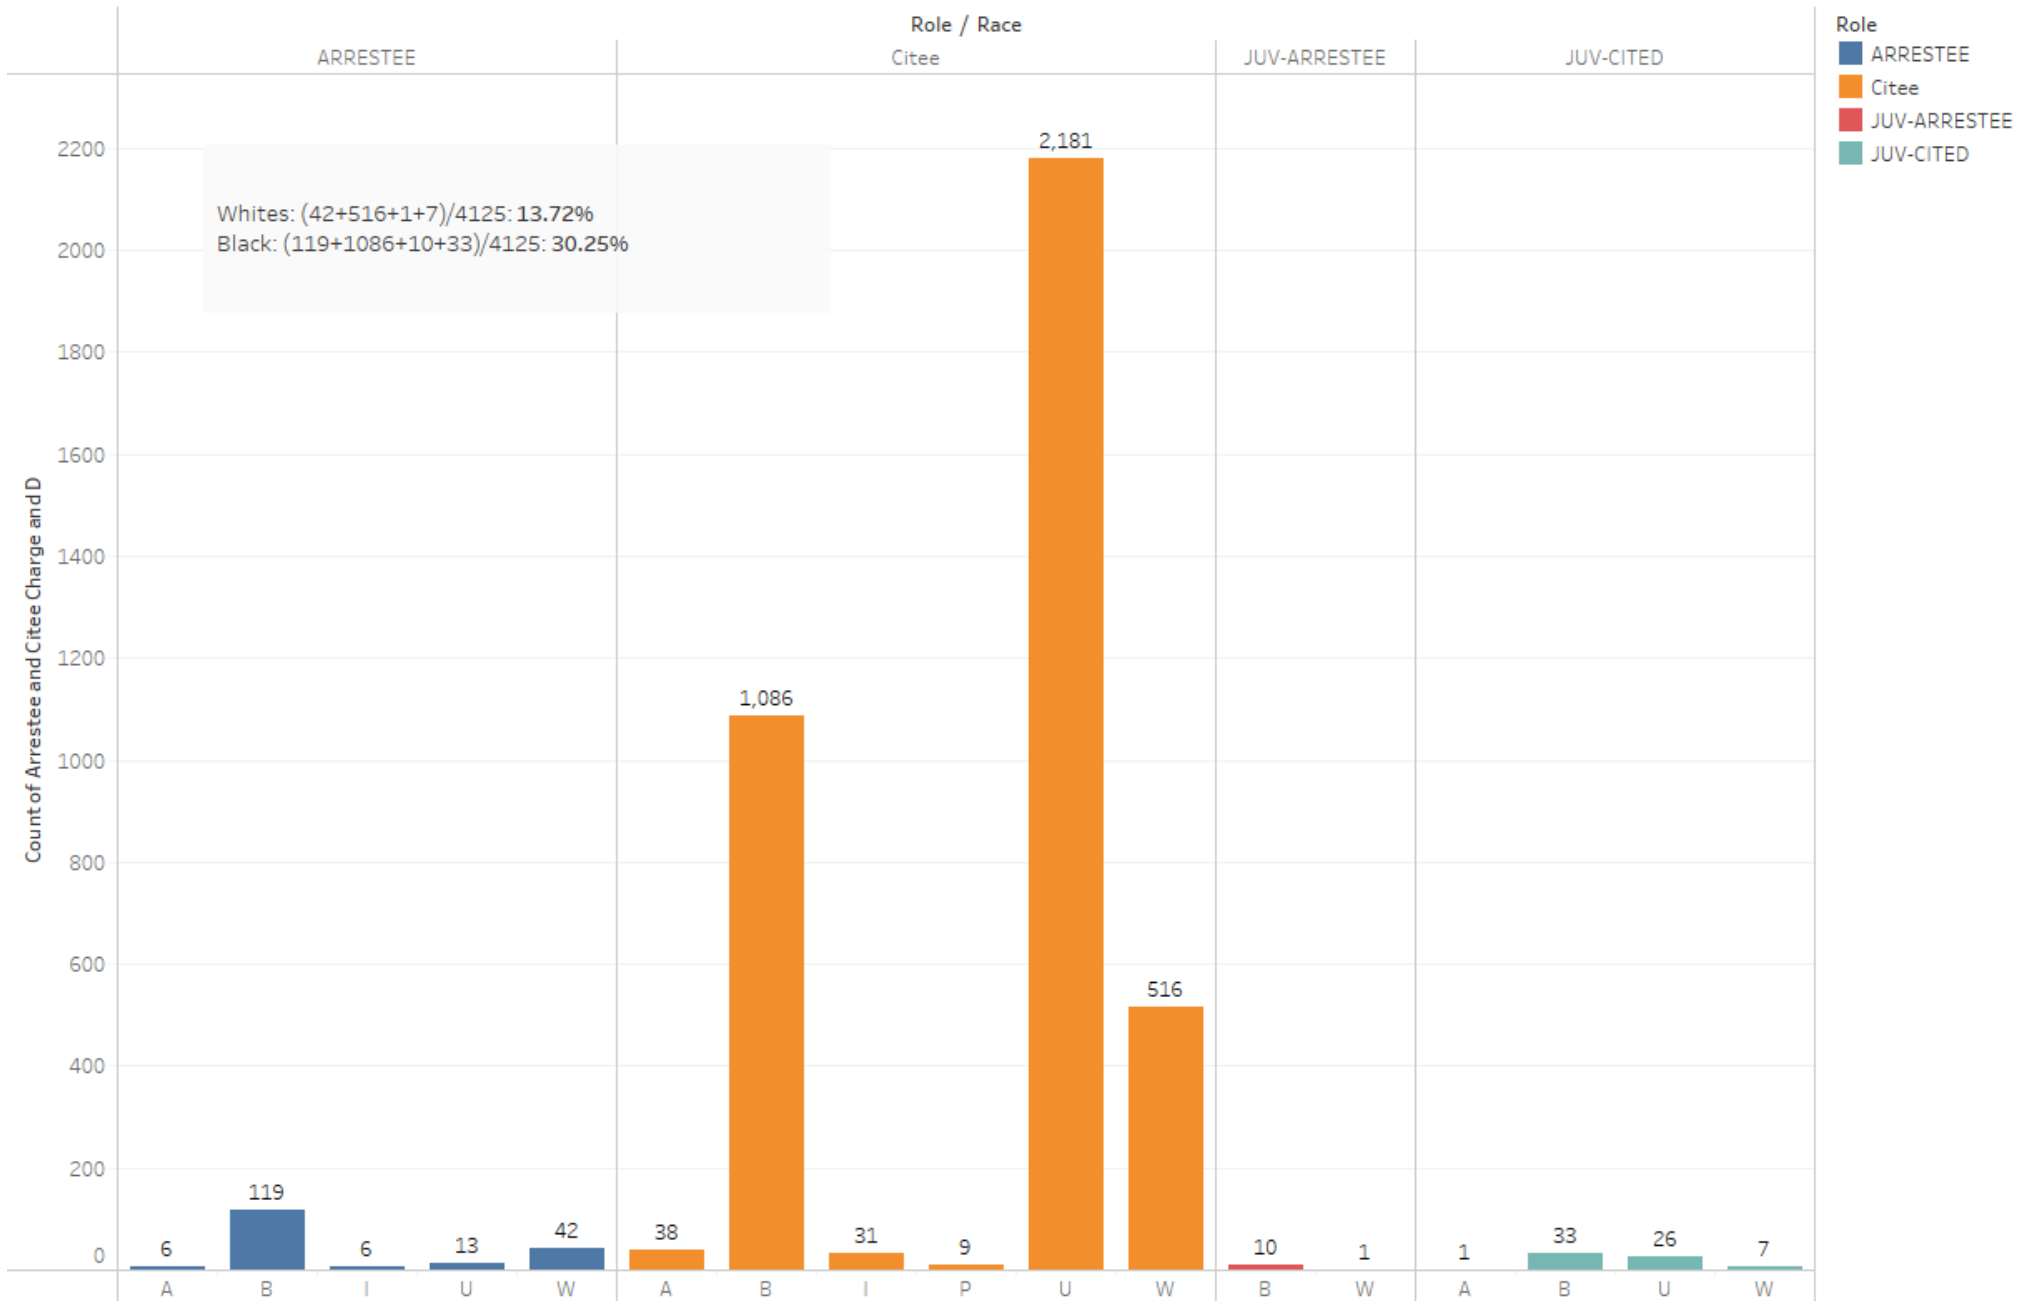

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps PUBURN.

Out of 133 PUBURN incidents, 14 were homeless. That is about **10.52%**

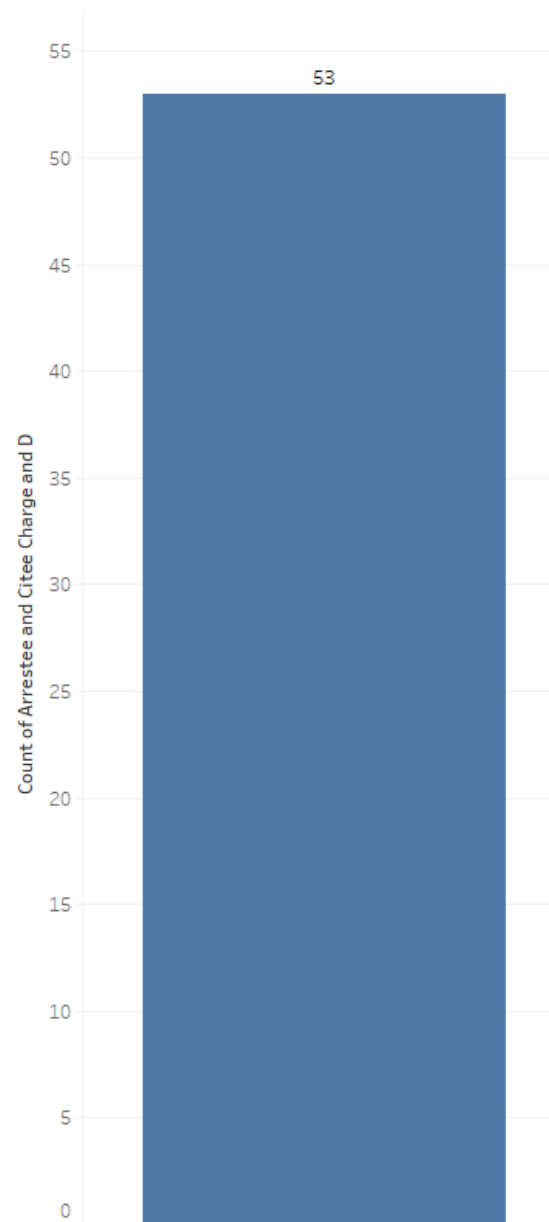

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps PUBURN. The Addr filter keeps 22 of 22,921 members.

TLE by Race

Count of Arrestee and Citee Charge and D for each Race broken down by Role. Color shows details about Role. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense, which keeps TLE.

Out of 4125 TLE incidents, 53 were homeless. That is about **1.28%**

Count of Arrestee and Citee Charge and D. The marks are labeled by count of Arrestee and Citee Charge and D. The data is filtered on Offense and Addr. The Offense filter keeps TLE. The Addr filter keeps 22 of 22,921 members.
